PLACE VISITED: CRRMMC GOVT. School

CLASS & GROUP: II LS BOYS

PROGRAM IN CHARGES: K. VANITA KUAMRI

RENUKA YELLAMMA

MADDURI JOYCE

GIST

In order to sensitize students towards the need to preserve our environment and Ecology, Tree plantation drive was organized by the Department of Botany, SJDCO on 31.10.22 in CRRMMC Govt School SAP Camp, Kurnool. The main aim of this event was to teach the students how we can save our climate from pollution.

Plantation program was a great initiative to make our atmosphere neat and clean. By tree plantation we can develop a climax ecosystem of greenhouse gases to reduce global warming. Overall, this was an excellent and glorious event for all.

The program was appreciated by the school Head Master and also P.ET. master of CRRMMC School.

At the end of the program, the students took an oath that they would take much care of the saplings and will not cut the trees ruthlessly.

Objectives:

- To create a clean and green consciousness among students.
- To involve young learners in efforts to preserve environment.

Outcomes:

- The students came to know the need to preserve our environment by planting trees.
- They impart knowledge on ecosystem.
