

ST. JOSEPH'S DEGREE COLLEGE, KURNOOL

DEPARTMENT OF BOTANY

Activity Programme : SCIENTIFIC DEMONSTRATIONS TO SCHOOL CHILDRENS

Classes Involved : II B.Sc

Time : 10 to 1 P.M

Date : 28-2-2022

Co ordinators: Rabiya Tanzila
Renuka Yellamma

To enable the school students to kindle their interest on science, St.Joseph's degree college, Kurnool came up with the idea of science awareness programme by arranging several interesting and hands on activities for school children of Munagalapadu Government high school on the occasion of National science day 2022 (Feb 22)

Our college students from Botany department emphasized the significance of science, ignited children's curiosity for science and made them realize that science can be so interesting and exciting when learnt outside textbooks.

Students got the opportunity to see various scientific demonstrations related to physics, chemistry, life science. Botany department faculty along with children visited the school with the prepared charts, posters, models.

STUDENTS PARTICIPATED

B.Swapna Madhuri

J.Latha

Ayesha Khato

G Abhinav Vamshidhar Reddy

N. Sai Ganesh

D. Josh Martin
