ONLINE QUIZ ON GENERAL MATHEMATICS

Description of the programme:

The department of Mathematics was organised online quiz on general mathematics from 1st week of October to 2nd week of October 2022. This event is conducted for all degree students. Students are actively participated in this event.

Date: **01-10-2022** to **12-10-2022**

Number of students participated: 140

Request Letter

Date:21-09-2022 Kurnool.

Dr.C. V. Satya Narayana SICQAC Coordinator

The Department of Mathematics would like to arganize the "Online Quiz on General Mathematics" to all the degree students. The scheduled is planned to conduct for one week from 1-10-2022 to 12-10-2022.

In this regard, I request you to grant permission to go ahead with our proceedings.

Thank You

With regards,

Dr.T. Mohan Reddy,

HOD, Department of mathematics,

St. Joseph's Degree College,

Kurnacl

Circular

Date:22-09-2022, Kurnool.

Dear Students,

The Department of Mathematics is going to conduct "Online Quiz on General Mathematics", so I request all students to participate in Online quiz which is going to held from 1-10-2022 to 12-10-2022. The google form link will be forwarded through your WhatsApp group.

Thanking you,

Dr.T. Mohan Reddy, Head of the Department, Department of Mathematics St. Joseph's Degree College, Kurnool.

Gist of the Programme:

The main use of Online quiz has been shown to motivate students to complete assigned readings, increase participation in class discussion, and improve performance on exams for material covered both on the quizzes and in class room. This quiz helps the students to identify what they know and what they don't know. The students then have a better idea of how well they are grasping the material, hopefully motivating them to study more and helping them allocate their study time effectively by focussing on the information that still needs more practice.

Objectives of the Programme:

- 1. The objective behind to organize quiz competition is to evaluate the knowledge of the participants within academics as well as beyond academics and to make them familiar with the prospects of quizzes and the objectivity of the questions.
- **2.** To guide on specific areas of quizzing and encourage to participate in quiz competitions.

Outcomes of the Programme:

- 1. Quizzes improve or expanding one's knowledge of things, either generally or in a specific area.
- 2. Quizzes are designed to promote, a fun way to study and in the process, help improve one's general knowledge.
