### ABOUT ME

An accomplished entrepreneur with a Master in Research, Management & Innovation from Université Côte d'Azur, a Master in project Management from Skema Business School, and a Bachelor of Technology in Electronics and Communication Engineering. My startup was incubated for nearly 4 years at Station F, Paris - the world's largest startup campus - where I gained hands-on experience in innovation, venture building, and international collaboration. Currently, I own and operate an EURL in Paris, driving initiatives at the crossroads of entrepreneurship, education, and global impact.

### EXPERIENCE

#### Founder & Director - Groupe Ishitva, Paris, France

July 2023 - Present

- Founded and lead a Paris - based EURL focused on higher education, academic research, and entrepreneurship.
- Operate international initiatives like LeadHER Conferences and PAM Conferences, promoting academic excellence and inclusive leadership.
- Offer strategic consulting for startup incubation, research valorisation, and educational program development.
- Facilitate global collaborations, speaker engagements, and capacity-building workshops for students and professionals.

#### Entrepreneur-in-Residence – Founders Program, Station F, Paris, France

April 2020 - October 2024

- Incubated a tech-driven startup under the prestigious Founders Program at Station F, the world's largest startup campus.
- Led and participated in product innovation, go-to-market strategy, and venture design.
- Mentored aspiring entrepreneurs and inspired a strong entrepreneurial mindset among startup enthusiasts from diverse backgrounds.
- Conducted motivation-driven sessions and peer workshops to foster confidence, creativity, and leadership in early-stage founders.
- Engaged in investor pitch forums, strategic mentorship programs, and ecosystem-building activities.
- Advocated for value-driven, socially impactful innovation, encouraging young founders to align business with purpose.

#### Associate Software Engineer – Accenture, India

July 2018 – December 2019

- Developed and maintained web applications using C# and ASP.NET, contributing to internal tools for project monitoring and reporting.
- Collaborated with the PMO team to automate project tracking processes and improve operational visibility.

## A Session on Project Management & Strategic Planning

### Program Report

Project Management has become a quintessential topic for the students to study, it pervades from small events to huge projects. Geoff Reiss one of the project management professions great innovator and catalyst said “Project management is like juggling three balls: time, cost, and quality. Project management is like a troupe of circus performers standing in a circle, each juggling three balls and swapping balls from time to time.” To make the students adept to the world of practical Project Management and its implications in the present world, the Dept of Commerce & Management has organized a Session on Project Management & Strategic Planning with **Mr S.Akhil** as the resource person. **Mr Akhil Founder & Director, Group Ishitva, Paris, France** is an **expert in the field of Entrepreneurship, Incubation, Network Development & Project Management** and has conducted many **workshops with students & professionals.**

Time : 11:00AM TO 12:30PM

Date : 11-08-2025

Venue: Seminar Hall

Students: BBA & B Com - 100

### Program Objectives:

1. To create awareness among the students on carrier opportunities in Project Management
2. To introduce the students to the critical aspects of Project Management
3. To make the students practically efficient in doing projects

### Program Outcomes:

1. The resource person elaborated on Project life-cycle, project charter, work breakdown structure & project termination reports.
2. The practical way of teaching on how to do a project and its phases using simple things (straw, paper, pins & clay) has roused the students' interest.
3. The resource person has extended his support to the students who are interested to take a course in Project Management.
