ABOUT OUR INSTITUTION

Sri Ramakrishna Education Society was founded in 1984 under the able chairmanship of a visionary, educationalist Dr. G. Ramakrishna Reddy. The Society started Sri Ramakrishna Degree College in the same year at Nandyal. Our college is known for its academic excellence. Our college became an Autonomous College from the Academic Year 2005-2006. Our college offers Undergraduate courses with different single major combinations viz., BCA, BBA, B.Sc. Computer Science, B.Sc. Botany and B.Com. Computer Applications.

Both BCA and BBA courses are approved by AICTE, New Delhi. Our college is recognized by the Government of Andhra Pradesh and affiliated to Rayalaseema University, Kurnool. Our college obtained ISO 9001:2015 certification. Our college is also conferred with "College with Potential for Excellence" status by UGC. Our college is also a Member Institution in the Association of Indian Universities.

Our college is Accredited with 'A' grade by NAAC in all three consecutive 1st, 2nd and 3rd cycles.

After a decade's rich experience at Undergraduate level, our college started different Post Graduate courses from 1994 viz., MCA with an intake of 120 students and MBA with an intake of 120 students. These two courses are approved by AICTE, New Delhi. Our college offers other full-time Postgraduate courses viz., M.Com. Professional, M.Sc. Computer Science and M.Sc. Mathematics. All these Postgraduate courses are affiliated to Rayalaseema University, Kurnool.

The Management, Director, and Staff Members of our College are relentlessly striving hard for the promotion of qualitative higher education. They spare no effort in infusing professionalism among students.

ABOUT KAMEROON – 2K26

To strengthen the professional courses such as BCA, we organize a number of National and State Level Meets in Information Technology and other fields. KAMEROON – 2K26 is one such effort.

KAMEROON – 2K26 is a one-day National Level Information Technology Meet. This is being organized by the BCA students and Staff Members of Department of Computer Science and Applications of our College. This fest explores not only technical skills but also the inherent and analytical abilities of the participating students. It provides the best opportunity for testing student talent and improving competitive spirit. It is the best platform for showcasing and elevating students' knowledge in various aspects.
