Plantation programme by Eco-Club students in college campus

In 2018 – 19 a plantation programme was conducted by Eco-Club team in the college campus and samplings were planted by students in the bore area of the college campus.

Eco-club launched an extension plantation programme on the occasion of World Wetlands Day on Feb-6 2018 in college campus. The 2nd & 3rd year life sciences students & staff selected the empty places in the campus.

The samplings were supplied by the forest department Kurnool. In order to restore the eco-balance of the nature forestation drive was taken with all seriousness. The students planted samplings, fenced them and watered the plants.

We had planted various types of plants like Ficus, Pongami, Neem, Delonix, Redsanders, Guava. At the end of programme there was a photo session with students & teachers. Participation was highly enthusiastic to make the programme a big success.

The students pledged to plant more & more trees with time and take care of the plants & to provide with basic needs as and when needed. The students also took the responsibilities of awakening the citizens by telling them the importance of trees in our lives.

Outcome :

By participating in plantation programme students get a lot of knowledge about the taxonomical characters of plants. They learned how to work as a team, learned about environmental welfare, to conserve biodiversity, plantation offer students the opportunity to not only plant trees but learn about environment extensively. The plantation programme included aesthetic values, environmental service values in students.

RALLY ON WOMEN'S DAY – 2018

Cultural and literacy club in collaboration with eco club and youth red cross of St. Joseph's Degree college, organised a rally on the occasion of International women's day as a campaign rally is an extremely powerful way of expressing public feeling on important issues.

The rally titled "**Walkthon**" was held on march 8th as part of **International Women's day celebrations**. Only girls with eco club staff participated in power walk to raise awareness on women education, safety of women etc.

Slogans like **Beti bachao, beti padao, educating the women educate the next generation empowering women, empowering humanity** were raised during the rally. A street play was also planned along with rally where students sensitized on women related issues.
