Synopsis

The management of St. Joseph's Degree College has Celebrated Silver Jubilee after the successful completion of 25 years of its journey in imparting education.

As a part of these celebrations The Department of Library Science organized an Art & Craft Exhibition, where the enthusiastic students of aesthetic talent have come forward with the exposition of their Art and Crafts. It was opened for the public view for 2 day's i.e., 29th and 30th January 2020. Mr. T. G. Bharath, industrialist and youth leader of TDP party and Mr. S. Chittaranjan Anoop CEO of St. Joseph's Institutions were the chief guest and guest of honor for the inaugural function. Among the exhibits pencil sketches, theme oriented paintings, Graphic arts and series of Ramayan paintings have captured the hearts of the viewers. Parliament model stood as an eminent exhibit in the midst of the craft expo. Craft exhibits that took away the attention of the viewers were paper crafts and best out of waste craft items. The Craft Expo was flooded with countless visitors of the college and from schools from sister institutions turning the expo as a memorable event during the Silver Jubilee Celebrations. The craft expo made a remarkable achievement during the Silver Jubilee celebrations.

Outcomes:

- Students demonstrated innovation in concepts in using formal materials.
- Students described, analyzed and interpreted creative art works.
- Students recognized different elements of designs in the works of art and craft.
- They learnt to analyze, interpret and evaluate the form and contents of the different works of art and craft.

Target Participants

- Students and Faculty of any discipline.
- Sister Institution and parents.

Shantha and Vice Principal Dr C. V. Satyanarayana have addressed the gathering. With a vote of thanks to the resource person and the participants the program was concluded.

About Koha:

KOHA is an Integrated Library System has features such as:

- Easy access to information for library staff and users due to effective searching and issuing of items.
- Automation of alerts to remind patrons and staff about, for example, overdue items or arrival of new items.
- Reduced time of processing of library items, due to MARC and z39.50 compatibility.
- Online supervision becomes possible, reducing the line management responsibilities of senior staff.
- Library management becomes easier through automated collection of data.
- Through the acquisition module budgets can be more effectively managed.
- Koha brings together library users and staff, as both can see various aspects of the system and can work together more effectively to achieve each user's goals.

Outcomes:

- Librarians have enhanced enhance the quality of teaching and learning KOHA Software
- They can meet the learning style for librarians and to fulfill the needs of the students
- They have improved the efficiency and effectiveness in using KOHA Software
- They learnt to inculcate users accessibility and time flexibility in engaging learners in the learning process
